## PREFACE.

One pleasure we feel in presenting this catalogue to collectors is that every person will find something described in its contents to add to his collection, the offering being so varied. The advanced collector will be interested in the set of gold dollars, 1794 dollar, 1796, 1797, 1838 (New Orleans Mint) half dollars, 1811 dime, fine cents, etc.

The sale of the Turner collection is made by order of the Executor of his Estate; the others by their respective owners, Messrs. Jos. Hooper, Geo. J. Bauer, Louis Winkler, J. C. Trenaman, and a prominent private collector of Rhode Island, relinquishing the pursuit.

Every coin is guaranteed genuine, and this guarantee remains in force indefinitely.

Priced catalogues will be supplied after the sale on receipt of 75 cents (stamps of any denomination accepted). As many priced catalogues sent before payment have remained unpaid for, we must request that the payment accompanies the order.

Every coin or medal is sold so much each piece, no matter how many there are in a lot; the only exceptions to this rule are the proof sets, both large and minor, which are sold at so much a set.

Bids should be sent in as soon after receipt of the catalogue as possible and not held until day before sale, as by deferring it the day of sale often passes much to the disappointment of the collector.

Our charge for attending to bids intrusted to our care is 10 per cent. *of the amount purchased.*

Any collector receiving this catalogue who is no longer interested will confer a great favor on us by sending a postal to that effect so his name may be dropped from our list.

Very respectfully,

S. H. & H. CHAPMAN,

Numismatists.

1348 Pine Street,

Philadelphia.
